## Listing of Trust Properties Located in Fayette County

A "Trust" property is a property that, under the provision of Chapter 34 of the Texas Property Tax Code, was ordered sold at a Sheriff's Tax Sale pursuant to foreclosure of a tax lien. At the Sheriff's Tax Sale, however, the property was bid off to the taxing unit that requested the order of sale. Said taxing unit takes title to the property for the use and benefit of itself and all other taxing units that established liens against the property in the underlying delinquent tax lawsuit.

Offers on the trust properties set forth on the following pages may be made in any amount. After an offer is received, it will be presented to the respective taxing unit(s) for consideration. Approval must be sought from all taxing having an interest in the property. The taxing unit is not under any legal obligation to accept any offer made on a trust property.

In the event you are the successful bidder, you will be notified as soon as practicable. A Tax Resale deed will be issued as soon as the payment is fully processed.

The taxing units reserve the right to accept or reject any and /or all offers. It is the responsibility of anyone making an offer on trust property to research the property. No title insurance or survey will be provided. Property is sold "as is" and "without warranty". It must also be emphasized that the "Assessed Value" of the property is the appraised value assigned to the property by the Appraisal District; however, there is no assurance, guarantee or representation that the property can be marketed and sold for the assessed.

### SEALED BID PROCESS

1. Use the attached form to bid on a property. A Bid Form must be completed for each taxing entity that the property is located in. You may make copies of the form, contact the appraisal district for additional forms or print the form from the district's website: [www.fayettecad.org](http://www.fayettecad.org)
2. Place each completed form in a separate envelope. Write the taxing entity's name and cause number on each envelope. Remember, there must be a separate Bid Form for each entity. (ex. city name, school name)
3. The Fayette County Appraisal District must receive all bids by the 25<sup>th</sup> of each month in order for the bid to be put on each entity's agenda the following month.
4. The successful bidder will be notified, at which time a cashier's check, money order or cash in the amount of your bid must be submitted. If funds are not received within thirty (30) days of notification, the bid will be null and void and considered trust property and subject to the bidding process. All bids shall be made payable to the Fayette County Appraisal District.
